PROFILE

Financial accountant with six years of experience in manufacturing and trading environments. I like clean ledgers, calm closes, and leaving processes better documented than I found them.

EXPERIENCE

Senior Accountant

VERHOEVEN DAIRY GROUP

2022 — Present

- Own the general ledger and monthly close for two entities (combined revenue €60M); close reduced from 8 to 5 working days
- Key finance contact during the company's ERP migration (SAP Business One): mapped 400+ GL accounts and trained four colleagues
- Prepare VAT filings and coordinate the annual audit — zero material adjustments in the last two cycles

Junior Accountant

DELTA FREIGHT SERVICES

2020 — 2022

- Handled AP/AR and bank reconciliations for a 120-vehicle logistics operation
- Automated recurring journal entries in Excel/VBA, saving ~6 hours monthly

EDUCATION

B.Sc. Accountancy

HOGESCHOOL ROTTERDAM

2016 — 2020

RA (Registeraccountant) track

NBA / UNIVERSITY OF AMSTERDAM

In progress — 2 of 7 modules remaining

SKILLS

Accounting: Dutch GAAP, IFRS basics, VAT/CT filings, costing, audit coordination

Systems: SAP Business One, Exact Online, Excel/VBA (advanced), Power Query
